SCHEDULING INFORMATION

- o A booking must be made in advance to reserve a classroom visit.
- o Our programs are scheduled to be one hour.
- o In order to allow plenty of interaction with our Museum Educator and with artifacts, programs are designed for one classroom at a time.
- o Classes shall be no larger than 25 students. Those above the maximum requirement will be charged an additional classroom visit fee(s).
- o If our Museum Educators are doing programs in the morning and afternoon, they would be very grateful to be offered lunch.
- o We require an in-school classroom visit schedule, online form provided by the Museum, two weeks prior to our visits.

VIDEO TAPING AND PHOTOGRAPHY POLICY

The product and presentation that Plimoth Plantation Inc. provides is copyright. The experience cannot be recorded for use or sale. Still photography is allowed for personal use only. Commercial use must be approved by Plimoth Plantation Inc.

ABOUT OUR PROGRAMS

WAMPANOAG PROGRAM

Our in-school classroom visits are delivered by Native Museum educators, who dress in modern clothing and speak from a modern perspective. This allows them to discuss the story of their people in past and present times.

Our Museum educator will bring a variety of artifacts for students to touch and view, as well as a digital slide show of images about Wampanoag life. Please have a "Smartboard," an LCD projector or a screen that can be connected to our laptop. To simplify set-up, please have the set-up ready prior to our arrival.

COLONIAL PROGRAM

Learn about the past with someone from the past! Our Museum educator will dress like a Pilgrim, but speak to the students from a modern perspective. The Museum educator will wear accurate reproduction Pilgrim clothing and will arrive with a variety of objects from colonial daily life.

In this program, your Museum educator will begin by introducing the students to Colonial artifacts and clothing, inviting comparisons to their own household objects and wardrobes in the present day. During the second half of the program, students will rotate through a series of "Pilgrim Life" play stations in small groups. Please have (5) tables or 'stations' set-up in your classroom to allow students to rotate through activities.

CANCELLATION POLICY

- o If your 50% non-refundable deposit is not received by the due date, Plimoth Plantation reserves the right to cancel your program.
- o If you need to cancel your classroom visit, we ask that you do so at least seven business days prior to your program date. By doing so, your full payment may be transferred to an alternate date within the school year.
- o If you cancel within seven business days of your program, you are able to transfer your total payment minus the 50% non-refundable deposit to an alternate date only.
