ABOUT OUR PROGRAMS

We use the free downloadable program, Skype, to participate in all Virtual Classroom Visit presentations.

WAMPANOAG PROGRAM

Learn about the daily life of the Wampanoag in the 17th century, as well as their current lives and communities. Students will gain an understanding of the connection the Wampanoag and other Native People have to Mother Earth, their seasonal way of life and their respect for all living beings.

Our Native American Museum educator will show artifacts of traditional life, such as wooden bowls and spoons, animal furs and tools. Our Native Museum educator will wear modern clothing and speak from a modern perspective, so that they can discuss the story of their people in both past and present times.

COLONIAL PROGRAM

Learn about Plimoth Plantation from a 17th-century Pilgrim in your classroom! Our Museum educator will portray a resident of 1624 Plimoth Colony, using their life story to frame the program. Your Museum educator will speak with a regional, English dialect of the 17th century and wear accurate reproduction clothing to bring the world of Pilgrims to life.

Your visitor will share the Pilgrim story, from hiring the Mayflower in England, through the journey and the first winter, to Thanksgiving in Plymouth.

CANCELLATION POLICY

- o If your 50% non-refundable deposit is not received by the due date, Plimoth Plantation reserves the right to cancel your program.
- o If you need to cancel your classroom visit, we ask that you do so at least seven business days prior to your program date. By doing so, your full payment may be transferred to an alternate date within the school year.
- o If you cancel within seven business days of your program, you are able to transfer your total payment minus the 50% non-refundable deposit to an alternate date only.
