

# A genealogical profile of Anthony Annable

---

**Birth:** Anthony Annable was born in England about 1595.

**Death:** He died in Barnstable between April 23 and June 4, 1684.

**Ship:** *Anne* or *Little James*, 1623

**English background:** Anthony Annable probably came from the area of Cambridge, Cambridgeshire, as he married there in 1619.

**Life in New England:** Anthony, his wife, Jane, and daughter, Sarah, arrived in Plymouth in the summer of 1623. Jane may well have been pregnant at this time, as they received four acres for planting corn by the following spring, indicating a household of four. Anthony served in a variety of minor offices, being a deputy in various years, and serving as a member of different committees and juries. He and his wife joined the church in Scituate at its forming on January 8, 1634/5, and may have been members of the church in Plymouth. They moved with many others of the Scituate congregation to Barnstable in October 1639.

**Family:** Anthony Annable and Jane Mounford married in All Saints, Cambridge on April 26, 1619. They had five children. She died in Barnstable, and was buried in the "Calves pasture" on December 13, 1643. He married (2) Ann Elcock or Clark in Barnstable on March 3, 1644/5, and had three children. He died in Barnstable in 1674. She died after October 30, 1678.
