

# A genealogical profile of \_\_\_\_\_ Rogers

---

**Birth:** \_\_\_\_\_ Rogers was born by 1607, if he was an adult on his arrival.

**Death:** Nothing is known of his date or place of death.

**Ship:** Unknown, 1628

**Life in England:** Mr. Rogers was educated as a minister in England.

**Life in New England:** There are only two references to Mr. Rogers. [His first name is never given.] In William Bradford's history of Plymouth Colony, he wrote that Isaac Allerton had brought over a young man for a minister. The colonists were wary, as he was completely unknown to them. They discovered that he was "crased in his braine" and sent him back to England the next year. Investor James Sherley noted in his accounts that Rogers' passage cost £3, 11s, and 4d.

**Family:** There is no evidence that he married or had children.

---

PLYMOUTH ANCESTORS

# Where do I go from here?

**Researching your family's history** can be a fun, rewarding, and occasionally frustrating project. Start with what you know by collecting information on your immediate family. Then, trace back through parents, grandparents, and beyond. This is a great opportunity to speak to relatives, gather family stories, arrange and identify old family photographs, and document family possessions that have been passed down from earlier generations.

Once you have learned all you can from family members, you will begin to discover other sources. A wide variety of records can help you learn more about the lives of your ancestors. These include birth, marriage, and death records; immigration and naturalization records; land records; census records; probate records and wills; church and cemetery records; newspapers; passenger lists; military records; and much more.

When you use information from any source — an original record, a printed book, or a website — always be careful to document it. If you use a book, you should cite the author or compiler, the full title, publication information and pages used. Also be sure to record the author's sources for the information. If the author's sources aren't provided, you will have to try to find the original source. Many genealogical works contain faulty information, and the Internet also contains many inaccuracies. In order for your work to be accepted — by lineage societies and other genealogists — it must be properly documented.

## IMPORTANT GENEALOGICAL RESOURCES

### New England Historic Genealogical Society

Founded in 1845, NEHGS is the country's oldest and largest genealogical society. The library contains over 200,000 books, plus significant manuscript and microfilm collections, and a circulating library by mail. NEHGS members receive two periodicals, the *Register* and *New England Ancestors*, and can access valuable genealogical data online.

NEHGS, 101 Newbury St., Boston, MA 02116;  
888-296-3447; [www.NewEnglandAncestors.org](http://www.NewEnglandAncestors.org).

### Plimoth Plantation: *Bringing Your History To Life*

As a non-profit, educational organization our mission is: to offer the public powerful experiences of history, built upon thorough research of the Wampanoag and Pilgrim communities. We offer multiple learning opportunities to provide a deeper understanding of the relationship of historical events to modern America. Members have access to our Research Library.

Plimoth Plantation, 137 Warren Avenue, Plymouth, MA 02632;  
508-746-1622; [www.plimoth.org](http://www.plimoth.org)
